

JOSIAH HUGHES

PROFILE

I am currently completing my Senior year at Denbigh High School's Aviation Academy. My education consists mostly of AP and Honors classes and I have attained a 4.46 GPA. I enjoy playing sports and have served as a team Captain on both Varsity Football and Baseball teams. I am actively involved in Student Council Association, National Honor Society, Mu Alpha Theta, NASA's HUNCH Program, as well as my church youth group and community Refugee Outreach.

My goal is to maintain exceptional grades and to pursue excellence in sports in the hopes of achieving both academic and athletic college scholarships. In addition, I would like to graduate high school having earned my private pilot's license.

I would like to pursue a dual major in college studying aerospace engineering and piloting.
